

ARRIS-stack™

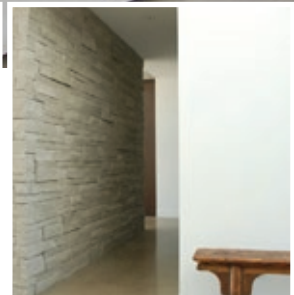

The best designs begin with the finest materials.

The beauty of Arriscraft stone is available in a thin veneer that adheres like tile. Thin-Clad ARRIS.stack™ Units have the look of full bed stone, with the ease of installation of thin stone.

Choose from eight colors in an elegant and timeless dry-stack style.

Whether renovating or building new, interior or exterior applications, ARRIS.stack™ is an attractive and simple way to add the value and beauty that only real masonry can provide.

Arriscraft. Simply stone™.
