

# Boldy Elegant

## Metropolitan Building Stone

Featuring long 31-5/8" lengths in three distinct face heights, Metropolitan Building Stone offers creative design options. Metropolitan is designed for efficient, coursed installation resulting in a dramatic impact. For any design, this unique stone offers a bold, yet sophisticated aesthetic.

Greyrock

Nutmeg

Oakmoss

White

- This long 31-5/8" stone features three face rises (1-15/16", 4-1/4", and 6-1/2")
- Sandblasted texture
- Can be laid coursed for a long, lean design, or in a classic ashlar pattern
- Selection of standard colors from the Cambridge Plant: Greyrock, Nutmeg, Oakmoss, White

Photographs represent color, range and texture as closely as the printing process allows.
