Arriscraft offers a truly comprehensive line of stone styles.

From impressive, old-world charm to cutting-edge contemporary, we have the style to bring every design to life. With an extensive and unique color palette, the possibilities are unlimited.

IMPORTANT NOTES

Colors and textures have been reproduced as closely as the printing process allows. Final selection should be made from actual samples.

Arriscraft stone products must be installed using industry recommended materials and techniques and conform to all related building requirements. All masonry products are intended for above-grade installations. Proper care, installation and cleaning are required for warranty validation. Please refer to the DATA sheets and CARE sheets that can be found at www.arriscraft.com

General Shale®

Arriscraft is the stone products group of General Shale, the North American subsidiary of Wienerberger AG and a leading manufacturer of brick, one of the world's oldest green building materials.
