

# ELEVATION THIN BRICK: INSPIRED BLENDS

For custom-designed spaces, our Elevation Thin Brick blends give incredible design flexibility. Combine complementary tones for added dimension or create a dramatic look using contrasting light and dark colours. We hope to inspire you with these beautiful examples, but the choice is yours! You have 9 standard colours to play with.

70% Mountain Ridge / 30% Oak Ridge

**Arriscraft®**

## Bring on the drama

Punch up your space with a blend of our rich Basalt colour. Add a pop of brightness for a dramatic look or blend Basalt with a range of warmer neutral tones. Playing with bold colour adds character and interest to interior or exterior spaces.

70% Basalt / 30% Cedar Woods

70% Basalt / 30% Montecito

70% Basalt / 30% Mountain Ridge

30% Basalt / 30% Montecito /  
30% Magnolia / 10% Limestone

30% Basalt / 30% Montecito /  
30% Magnolia / 10% Oak Ridge

## Be a little extra

---

With Elevation blends you don't have to settle for one monotone shade. Create more visual interest using blends of our beautiful greys and earth tones. Customize your blend to creatively coordinate with flooring, fixtures, accents, or furniture. An artful blend can help tie together various design elements.

70% Cedar Woods / 30% Basalt

70% Cedar Woods / 30% Limestone

70% Mountain Ridge / 30% Basalt

15% Basalt

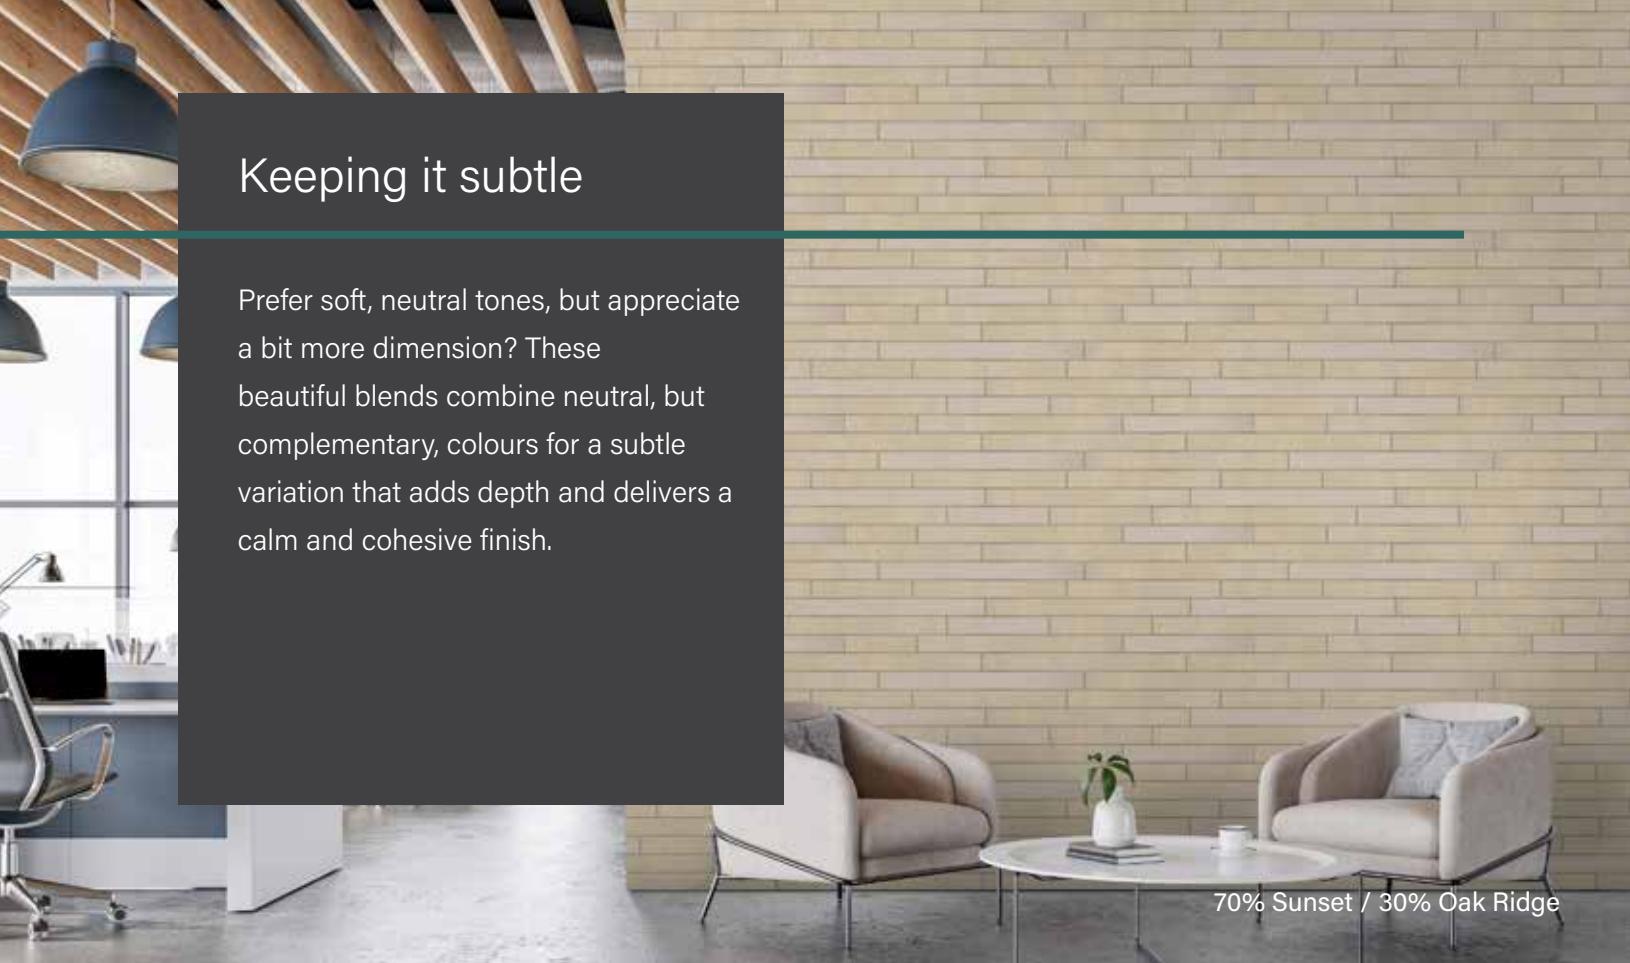

70% Oak Ridge / 30% Mountain Ridge

50% Sunset / 25% Oak Ridge /  
25% Mountain Ridge

## Keeping it subtle

Prefer soft, neutral tones, but appreciate a bit more dimension? These beautiful blends combine neutral, but complementary, colours for a subtle variation that adds depth and delivers a calm and cohesive finish.

70% Sunset / 30% Oak Ridge

70% Sunset / 30% Oak Ridge

70% Oak Ridge / 30% Magnolia

50% Magnolia / 50% Montecito
